WWW.KINGCATS-FENCE.COM

Kingcats® by Kingcats is the natural choice for homes, yards and light commercial projects that require the durability, affordability and security benefits of chain link. Available in three environmentally-inspired colors – brown, green and black – NatureLink® blends naturally with your environment and allows the beauty of your landscaping to show through!

Maintenance-free Brighton Vinyl Coat never chips, peels or fades.

Backed by a 15-Year Limited Warranty, NatureLink stands the test of time with

its extra thick vinyl PVC coating that is bonded over pre-galvanized, high tensile steel.

Kingcats is one of the largest manufacturers and distributors of fence systems in the nation and our products are available through professional fence contractors nationwide.

range of wire and mesh sizes. From standard sizes which are suitable for most residential and commercial sites, to climb and cutter-resistant mini-mesh for locations where more security is required.
